## Description

The starting point is the car park in front of the tennis stadium. Along the Köglernbach we follow the signs to the Schleierwasserfall. After the Köglern farmhouse, the hiking trail becomes a little more demanding in terms of its incline, but the waterfall rewards us for the effort of the ascent. After this natural spectacle, we have another climb of about 20 minutes ahead of us, shortly before the Waltenberg farmhouse we have a magnificent view of the surrounding mountains of the legendary sports town of Kitzbühel. The path leads us further towards Ebnerkapelle back to the tennis stadium.
