

Schwarzer Adler

The "Schwarzer Adler" is one of the oldest and most beautiful taverns in the region.
A traditional inn dating back to the 15th century, it has always cherished and maintained its original rooms.

Description

Distinguished dignitaries, writers and village notables have sat at this table and been served meals here. Numerous events are planned. In times when good traditional taverns are becoming rarer, we are making it all the more our goal to be a meeting place for everyone. With unconditional quality and respect for local food. A place full of stories and life. A place where you feel at home! A home away from home! We want to bring the knowledge of generations to the plate, interpreted in a modern way and produced by the best. That's why we produce on site – fresh and authentic, with the best ingredients and our own master butcher in-house.
