## Description

Start this classic loop at the Hahnenkammvalley station and head towards "Hahnenkamm" and "Schattberg." Begin on asphalt, following signs to "Einsiedelei." Just above Kitzbühel, turn left and soon join the trail up to "Einsiedelei." Upon reaching Einsiedelei, turn right onto the gravel road, following the signs to "Seidlalm."

Continue on this road briefly before turning onto a scenic trail that climbs steadily. Rejoin a forest road, keep right, and run under the Hahnenkammvalley until the "Seidlalm" junction. From here, take another trail, leading to a viewpoint offering beautiful vistas of the town and Kitzbüheler Horn just before Seidlalm.

At Seidlalm, consider stopping for refreshments before descending via the "Streif-Wanderweg" back to the starting point, passing the famous "Hausbergkante" along the way.
