Altitude profile

Description

Starting from the Pfarrau car-park, the Stadtrunde travels clockwise around the town centre of Kitzbuehel. There are two further KitzRunning starting points at the Achenpromenade / Sportpark and at the Hahnenkamm Cable-Car Valley Station. This gives everyone the chance to run or walk on one of the routes which start there. The Stadtrunde is an ideal route for anyone, who would like to 'do a lap' by themselves in the snow or when it is dark.

equipment
