Description

We fittingly start in Legends Park behind the Aquarena in Kitzbühel. From here, follow the railway tracks towards the Hahnenkamm Station. The climb begins here, heading steeply up Hahnenkammstraße and then Hausbergtal Weg. After about 1.5 kilometers, reach the trail, and after 2 kilometers, arrive just above Hausbergkante on the original Streif. Follow the hiking trail past Seidlalm, Lärchenschuss, Steilhang, and Mausefalle until reaching the start house. If you're not exhausted by now, you haven't given it your all. After a break at Hahnenkamm, take the gondola back down to the valley.
