Altitude profile

Description

Starting point at the valley station of the Hahnenkammbahn Cable-Car you travel in a south-westerly direction alongside the classic Streif ski run, passing the famous Hausbergkante and Laerchenschuss sections, before reaching a narrow section, that is very steep in parts, leading up to the Seidlalm. Following the Seidlalm jump, the Streif-Hillclimb continues on a somewhat flatter terrain, parallel to the old forest schuss, before once again incorporating some very steep sections above the Steilhang. With the Mausefalle in sight, you know are finally nearing the finish in the vicinity of the Mountain Station of the Hahnenkammbahn Cable Car.
