## Description

### WELCOME AT THE TONI ALM

Directly on the piste 77, the panoramic downhill Kitzbühel Alps, is a very special gem. At 1530 meters above sea level, the Toni Alm takes every winter skiers and gourmets in a very special atmosphere.

In the traditional style ambience you will meet in the morning for the hut breakfast or for “alpine tapas” and Kaiserschmarrn as a snack in between. But also for the big hunger the kitchen of the Toni Alm offers the right thing for every taste. The culinary hut experience is rounded off with an exclusive selection of drinks, ranging from the in-house Toni Alm Bräu to a large selection of fine wines. In the exclusive Alm-Lounge you will experience impressive views – with a panoramic view from the Großglockner over the Großvenediger to the Kitzbüheler Horn. Enjoy this magnificent mountain panorama by the crackling open fire.
