## Description

Starting at the Pfarrau parking lot in Kitzbühel, the city trail leads you towards the city center, reaching Legends Park behind the Aquarena. From there, follow the railway tracks towards Hahnenkamm Station. At the railway crossing, cross the tracks and continue along the parking lot, following the signs southwards onto Malernweg. Follow Malernweg to the Ehrenbachgasse junction, then turn into Ehrenbachgasse, heading towards the railway underpass. Turn right onto the narrow path and follow the Kitzbüheler Ache. Cross Jochberger Straße and continue along the Ache until it merges into Traunsteiner Weg. Turn right, go through the underpass, then immediately left. Follow the railway to Hornkreuzung, cross the road towards the city center on Hornweg, turn into Gänsbachgasse, and at Kirchplatz, turn right. Finally, follow Pfarrau Weg back to the starting point. Enjoy the scenic and varied terrain of Kitzbühel!
