Description

Visitors to YOUR DOME can expect films, shows and concerts that get under their skin and immerse them in magical worlds of images and sounds. Inspiring, fascinating and moving. "Find your personal moment" is the motto. Therefore, everything revolves around only one question: "What do I feel like?" Unlike the classic cinema, the Erlebnisdome allows a 360-degree view of things and thus forms unique themed worlds with its programme - of adventure, entertainment, knowledge.
